ABOUT US

Once upon a time, I wandered into a charming local Florist Shop with the simple intention of buying some thank-you flowers for my mum. Caught in a transitional period between jobs and feeling a bit adrift, I found myself captivated by the florist's creation – a whimsical purple glitter arrangement (yes, it was cool at the time!). Intrigued, I promptly started googling Floristry Courses, and as luck would have it, it was August with college courses beginning soon, with openings in the course I found. Perhaps it was fate!

Fast forward 12 years, after a considerable amount of hard work, I proudly run my own Wedding Floristry Business, marking its sixth anniversary in July 2024. We've become a reputable force in our sector, equipped with a fantastic team, a dedicated studio space, and even adorable branded jumpers (because who doesn't love a cute jumper?).

Over the years, we've had the privilege of collaborating with incredible Wedding Venues, outstanding Suppliers, and, most importantly, creating magical moments for countless couples. From elegant and timeless florals to woodland-inspired, gothic glam, and whimsical country themes – you name it, we've not only done it but consistently excelled! As we continue this beautiful journey, I genuinely hope we'll have the opportunity to bring your vision to life, just as we have for so many others.

Thanks for being here. With love, Sarah x

THE PROCESS

If this is your first time navigating the Wedding Planning Rodeo, you likely have a few questions about the process. How and when do you reach out? Here are some helpful tips for you:

Fill out an Enquiry Form approximately 18-9 months before your big day. Booking early increases the likelihood of securing your preferred supplier and allows for more savings. However, if you've opted for a last-minute date, we can accommodate late bookings if we're available. Scan the QR Code below to be taken straight to our Enquiry Form.

We'll get back to you to schedule a meeting. Once a date is chosen, we'll have a chat online or in person at our studio in Wigan. Shortly after, we'll provide you with a customised proposal.

After reviewing the estimated proposal and confirming it aligns with your vision and budget, it's time to book. We require a £120 deposit to secure your date, with no further payments until 4 weeks before your wedding.

We'll meet again before the big day to finalise details, and our inbox is always open for any questions that may arise throughout the process.

YOUR PROPOSAL

Each couple receives a personalized Flower Proposal, complete with a Mood Board, Colour Palette, Inspiration Board, a detailed Price Breakdown, along with options for Contract Signing and Payment.

Receiving this Proposal has often sparked a delightful bubble of excitement among our couples, as attested by their enthusiastic feedback.

Navigating the World of Wedding budgets can be a daunting task, but at Olive Owl Flowers, we're here to simplify the process for you.

Setting a budget is a crucial step in creating the Wedding of your Dreams, and we understand that it may be unfamiliar territory.

On average, our couples allocate between 3k and 6.5k for their Floral needs but we've successfully tailored our services to Weddings spanning from 2k to 20k.

To assist you in this journey, upon request, we can provide you with our price guides in response to your enquiry, offering transparency and ensuring that you can set a budget that aligns seamlessly with your vision. Trust us to turn your Floral Dreams into a reality.
